#### **Q: What is Acronis Universal Restore?**

**A:** Acronis Universal Restore adds flexibility into your servers for disaster recovery and system migration. With Acronis Universal Restore, you can restore a server to any other physical or virtual machine rapidly and accurately. Instead of being forced to use identical models of equipment, or spend precious hours on re-configuration, you can restore your server to a known, working condition quickly, minimizing business disruptions.

#### **Q: What are the top features of Acronis Universal Restore?**

**A:** With Acronis Universal Restore you can:

- Recover a failed system to different hardware or to virtual machines in minutes,
- Migrate physical-virtual, virtual-physical, physical-physical, or virtual-virtual for system recovery, testing, and other purposes,
- Clone and deploy operating systems with complete hardware independence.

#### **Q: What is the difference between the relevant versions Acronis Backup and Recovery?**

**A:**

**Acronis Backup & Recovery® 11.5 Server for Windows®** is best for image- and file-based backup of a Windows server. It is designed for small business with limited or no IT personnel and where centralized management is not a requirement.

**Acronis Backup & Recovery® 11.5 Workstation** provides disk-and file-based backup and disaster recovery for your desktop or laptop. It is designed for small business with limited IT personnel and where centralized management is not a requirement.

**Acronis Backup & Recovery® 11.5 Advanced Workstation** provides disk-and file-based backup and disaster recovery for business desktops and laptops with centralized management capability.

**Q: What is the free Acronis Universal Restore promotion about?**

**A:** If a purchase of Acronis Backup & Recovery 11.5 for Windows, Workstation, or Advanced Workstation is made, the purchaser will also receive Acronis Universal Restore at no cost.

**Q: How do I take advantage of this offer?**

**A:** To take advantage of this offline offer for Free Acronis Universal Restore, you must request a quote using one of the following forms:

- [Acronis Backup & Recovery 11.5 for Windows](#)
- [Acronis Backup & Recovery 11.5 Workstation](#)
- [Acronis Backup & Recovery 11.5 Advanced Workstation](#)

After submission, someone from the Acronis Team will reach out to you within 24-hours.

**Q: Can I apply this discount to multiple solutions in one order?**

**A:** This promotion is limited to Acronis Backup & Recovery 11.5 for Windows, Acronis Backup & Recovery 11.5 Workstation, or Acronis Backup & Recovery 11.5 Advanced Workstation SKUs.

**Q: How do I get free Acronis Universal Restore with different versions?**

**A:** To get free Acronis Universal Restore with Acronis Backup & Recovery 11.5 for Windows, Acronis Backup & Recovery 11.5 Workstation, and/or Acronis Backup & Recovery 11.5 Advanced Workstation, you must request a quote using each appropriate version form – [Acronis Backup & Recovery 11.5 for Windows](#), [Acronis Backup & Recovery 11.5 Workstation](#), and/or [Acronis Backup & Recovery 11.5 Advanced Workstation](#).

**Q: Can I combine this offer with other promotions?**

**A:** This offer cannot be combined with other running promotions.

**Q: When does the promotion end and what regions are honoring the promotion?**

**A:** This offer expires December 31, 2013 at 5PM EST and is only available offline in North America.
